# PRICE LIST

SPRING 1917

We offer herewith a complete list of hardy ornamental nursery stock. Our nursery of three hundred acres affords material to meet practically every need in landscape development. All stock is well grown and supplied with a fibrous root system which is of vital importance in the success of a planting.

## CONDITIONS OF SALE

Stock will be supplied at prices named herein as follows: Five of any one variety at ten rate; twenty-five of any one variety at hundred rate. The prices do not include the boxes and bales. A charge for the actual cost of the boxes and material used in baling is made.

We give no warranty, expressed or implied, as to quality, description, productiveness, or any other matter of any nursery stock that we sell.

We do not guarantee our stock to live and no allowance will be made for goods that fail to live after being planted. Our methods of handling and packing stock are up to date and goods will be in good condition and well packed when they leave our grounds. Our responsibility ends upon delivery to carriers. If goods suffer through delay in transit, claim should at once be made on forwarders.

All claims for errors must be made within ten days after receipt of goods, or positively will not be considered.

Unknown correspondents who wish to open an account will please give us names of three parties with whom they have credit relations and allow us sufficient time to investigate same. Otherwise, cash must accompany order. If goods are desired C. O. D., the order must be accompanied by one third of the amount to guarantee acceptance.

Shipping facilities—We can make direct shipment over the N. Y. C. R. R.; B. & O. R. R.; N. Y. C. & St. L. R. R.; American Express; Wells Fargo Express; and Electric Package.

## Evergreen Trees

In this department our stock is thrifty and fibrously rooted, having been several times transplanted. Failure to frequently transplant results in a course root system; an evergreen so grown, regardless of how symmetrical and attractive the top may be, is almost certain to fail to grow when planted by the purchaser. Our prices include lifting the plants with a ball of earth and sewing it in burlap as an extra precaution that the plant may arrive in the best of condition.
